Application for a position in the Executive Board of ESPES

April, 30th, 2023

Dear Prof. Maud Lindeboom,

With this letter, I would like to apply for a position in the **Executive Board** of ESPES.

I received his medicine degree from the University of Cologne, Germany. From 2002-2010 I underwent surgical training in General Surgery and Pediatric Surgery. From 2010 to 2011 I successfully completed a Fellowship in Pediatric Endosurgery at the University of Alabama at Birmingham/USA (**Prof. Keith Georgeson**). In the years 2012-2015 I worked as a staff surgeon at the Department of Pediatric Surgery at Hannover Medical School (**Prof. Benno Ure**). Since October 2015, I am surgeon in chief and director of the department of pediatric surgery at the University of Leipzig, Germany.

Having a strong interest in Pediatric MIS and as the chair of the EUPSA education office I served as faculty during several MIS courses in the past years.

If I would have the chance to work on the Executive Board of ESPES, I would like to:

- Participate and organize MIS workshops throughout Europe
- Contribute /co-organize Webinars on MIS
- Work on a close and good relationship between ESPES and EUPSA.

I would be delighted if the Executive Board of ESPES considered me a suitable candidate.

Sincerely,

Prof. Martin Lacher
