

Personal information

Family name / First name	Fascetti-Leon/Francesco
Date of birth	02/01/1976
Email	francesco.fascettileon@unipd.it
Tel.	+39 328 3655620

Education

2001 M.D Degree in Medicine and Surgery Graduate Mark 110/110 – Padua University-Italy
2006 Specialist in Pediatric Surgery 70/70 cum laude- Padua University-Italy
2011 Phd -Padua University-Italy Supervisor Prof. . Anna Rosa Floreani

Current position(s)

2021 – Assistant Professor,(RTDB) – Pediatric Surgery Department- Padua University-Italy

Previous position(s)

2007-2008: Clinical Fellow, Research and clinical activity , Pediatric Surgery Department, Padua, Italy
2009-2014: Consultant , Pediatric Surgery Department, Pavia, Italy
2010-2012: Consultant , Pediatric Surgery Department, Bologna, Italy
2012-2015: Clinical Fellow- Senior Registrar/Acting Consultant Paediatric Surgery Unit- Chelsea and Westminster Hospital-NHS Foundation Trust, London, UK
2015-2016: Consultant , Pediatric Surgery Department, Padua Italy
2016- Present: Assistant Professor, Department of Pediatric Surgery, Padua, Italy

Fellowships

2012-2015: Clinical Fellow- Senior Registrar/Acting Consultant at Paediatric Surgery Unit- Chelsea and Westminster Hospital-NHS Foundation Trust, London
2007-2008: Clinical Fellow, Research and clinical activity at Pediatric Surgery Department, Padova, Italy
2006: Research Fellow at ICH Great Ormond Street Hospital – London, UK (Supervisor Prof A. Pierro, Dott. P. De Coppi)

Supervision of graduate students and postdoctoral fellows

2005- Today :10 Medecine Students Thesis Supervisor or co-supervisor, Padua Univeristy, Italy
2016- Today: number 3 Supervisor Pediatric Surgery Trainees Thesis , Padua Univeristy, Italy

Teaching activities

2012-2015: Small group teaching sessions, Imperial College Medical School , London, Uk
2016 – present: Specialist training in Pediatric Surgery yearly exam board, Padua University, Italy
2016-Today: Member of The Pediatric Surgery Teaching Board, Padua University, Italy
2016-Today: Member of The Pediatric Teaching Board, Padua University, Italy
2019- today : Deputy Director Pediatric Surgery training program Padua University, Italy
2018: Tutor Elective Internship Maastricht University
2019: Supervisor At Advanced Course Laparoscopy and Robotics in Pediatric Urology , Naples , Italy
2019: Speaker at Master Level 1 : Use of US in obstetrics practice, Padua, Italy
2019: Speaker at REOPEN short bowel syndrome expert meeting, Padua, Italy
2020-today: Pediatric Speaker at digestive endoscopy course for trainees, Padova

Organisation of scientific meetings

(if applicable)

Year – Name and type of event, your role, number of participants if available, Country

Institutional responsibilities

Member of The Pediatric Surgery Teaching Board, Padua University, Italy

Member of The Pediatric Teaching Board, Padua University, Italy

Deputy Director Pediatric Surgery training program Padua University, Italy

Tutor Elective Internship for medical student from Maastricht University

Member of Research Commission - Department of Women's and Children's Health, University of Padova

Commissions of trust

Editorial Board Member:

- Journal of Pediatric Surgery
- ECronicon Open Access
- Austin Pancreatic disorder
- BioMed Research International
- African Journal of Paediatric Surgery
- Journal of Gastroenterology and Its Complications (JGIC)
- Lung India
- Minerva Chirurgica

Memberships of scientific societies

2006- present: Registered to General Medical Council UK

2013-present: Fully registration in the specialist registry Paediatric Surgery in UK

2012-present: Reviewer for international journal: Journal of Pediatric Surgery, Urology, Acta Paediatrica,, Case Reports in Obstetrics and Gynecology

Member of SICP - Italian Society of Paediatric Surgery

Member of European Paediatric Surgeons Association (EUPSA)

Member of European Society of Paediatric Endoscopic Surgeons

Associate Member of ARM-net: European network for Ano-rectal malformation

eHealth Work Package coordinator for ERNICA (European Reference Network for rare disease, gastrointestinal disorders) CE approved network of expert for congenital malformation of digestive tract.

Research

2002-2004 Project Deep venous thrombosis related to CVC in pediatric patients. Padova

2004-2006 Endoscopic treatment of GERD in pediatric patients, use of stemcell in digestive tract. Padova

2005 Animal handling certificate. Homeoffice UK.

2006 "Research Fellow at ICH-Great Ormond Street Hospital- Surgery Unit- London", Project "A rat model of necrotising enterocolitis"

2007- 2009 PhD course: biology and regenerative medicine-Gastroenterology.

2008 Animal handling certificate course at VIMM- Padova

2007-2008 Cooperation with il Stem cell processing Lab-VIMM e Gene Transfer Lab at the Institute of Biology –University of Padova. (skeletal and myocardial muscle regeneration).

2008-2009 Cooperation with Bone Marrow Transplant Lab -IRCCS Policlinico San Matteo di Pavia (Immuno-modulation properties of Amniotic Fluid Stem Cells); Human physiology dept, University of Pavia (Differentiation and functional study of neuroenteric precursors: bases for stem cell therapy of Hirschsprung disease and allied disorders)

2012-2013 project PI: Combination of clinical scoring system and Ultrasound for the diagnosis of paediatric appendicitis C&W Hospital NHS foundation trust- Imperial College London

2012-2015 Cooperation with Imperial College-London . Simulation for surgical training pediatric robotic surgery.

2015-present ARMnet member for research projects

2015 SIVItaly member for research project working group (national study on Undescended testis e VLS), guidelines working group

2016-present

- ERNICA guideline participation
- Member of “ERNICA expert group for Hirschsprung disease”,
- Cooperation with multicenter research group (Roma-Sapienza, Chemical Fundamentals of Technologies at the Università Campus Bio-Medico di Roma, dpt Biologia Padova) muscle precursors and sphincter regeneration
- Local responsible for (Università di Padova) EUPSA registry on esophageal atresia
- Scientific commission member for Biliary Atresia Italian Network

Surgical skills

Neonatal mininvasive surgery (esophageal atresia, diaphragmatic hernia, duodenal atresia)

Robotic surgery (PUJ, GERD, Kidney and Pancreatic tumours, IBD)

Endoscopy diagnostic and operative

Laparoscopy, Thoracoscopy (all range procedures)
