## ADVANCED MINIMALLY INVASIVE PEDIATRIC SURGERY

International workshop and hands-on course

19 - 20 November 2021 | Berlin  
Germany

Endorsed by:

Dear colleagues

At a time when minimally invasive pediatric surgery has evolved as standard technique, training remains a challenge. Training can be enriched by workshops using realistic biological models similar to clinical conditions. Therefore, we want to invite you to an international workshop and hands-on course for minimally invasive pediatric surgery.

Initially, basic techniques of access, exposure, suturing and knotting in small cavities will be trained on chicken and rat models. The workshop is focused on specific abdominal, thoracic and even esophageal minimally invasive procedures. We guarantee that participants will be able to perform numerous operations, such as fundoplication, nephrectomy or splenectomy themselves. The facility at the Aesculap Academy training center in Berlin is excellent and fulfills all needs for such a workshop.

## PREFACE

A very limited number of participants will be trained by experts in minimally invasive surgery and the ratio between experts and participants will be optimal. There will be room for extensive discussions on different concepts, views and opinions. The participants will then understand that different surgeons use different concepts.

The workshop is accredited by the European Pediatric Surgeons Association (EUPSA) as well as the European Society of Paediatric Endoscopic Surgeons (ESPE) and is supported by the German Association of Pediatric Surgeons and its Workgroup Minimally Invasive Pediatric Surgeons.

Come and spend some interesting days with us in Berlin. Looking forward to seeing you.

Best regards

Benno Ure

Chairman of Pediatric Surgery, Hannover Medical School

## PROGRAM

- Two day hands-on course on living rats and a chicken model
- Specific anatomy, basic techniques of access, exposure, suturing and knotting in small spaces
- Funduplicatio, nephrectomy, splenectomy, bowel anastomosis, diaphragmatic reconstruction, esophageal anastomosis
- Full equipment and more than one expert for every two operation tables
- Video presentation and discussion of specific operations by faculty members

## DATE

Berlin 19 - 20 November 2021

The course starts at 8.00 am on day 1 and ends at 5.30 pm on day 2.

## COURSE FEE

- 1,100.00 Euro net plus VAT, where applicable
  - Special price for the members of the EUPSA or ESPES: 1,020.00 Euro net plus VAT, where applicable
- including course documentation, food & beverages during the course as well as hotel accommodation for 2 nights.
- Your registration will be valid upon receipt of a written confirmation. An invoice will be sent to you approximately 4 weeks prior to the course.

## HOTEL RESERVATION

Together with your confirmation of participation you will receive an information leaflet of the hotel where we have booked your accommodation.

## INFORMATION

### ACCREDITATION ROYAL COLLEGE OF SURGEONS

In recognition of the exceptional continuing surgical education opportunities for medical professionals, Aesculap Academy's training centers in Tuttlingen, Berlin, and Bochum have received the Royal College of Surgeons (RCS)'s Award of Excellence.

The Royal College of Surgeons of England is a leading national and international centre for surgical education, training, assessment, examination and research.

### CANCELLATION TERMS

If a participant cancels the registration 4 weeks or more before the beginning of the event, the course fee will be reimbursed in full. After this time and up to 14 days before the seminar begins, we offer to offset the value of the fee by crediting it to another seminar. If this is not acceptable to the participant, we shall charge an administration fee of 10% or at least 30.00 Euro. For cancellations made between 14 and 7 days before the event, we reserve the right to charge half the course fee. The full course fee will be payable for cancellation after this period or for non-attendance. The general terms and conditions of Aesculap Akademie GmbH are applicable and can be forwarded on request.

The male form was chosen for reasons of legibility, representative of all sexes.
