Dear President and Members of the Société Marocaine de Chirurgie Pédiatrique
(SMCP),

We express our sincere condolences to the people of Morocco for the tragic loss of
life from the devastating earthquake striking the North African nation.

We are deeply saddened by the devastating consequences of this tragic event, and
we stand in full solidarity with the people of Morocco in this difficult moment.

We are ready to assist in any way You may deem useful. Our Associations are united in offering all
possible assistance to Morocco's children requiring surgical management in the hospitals across the
frontline bordering countries, and beyond in specialized Centers throughout Europe. We remain in
constant contact with you and pledge our assistance if required.

We admire your courage in providing emergency treatment under severe material constraints and
unimaginable working conditions. We hold in high esteem your commitment and dedication to
unselfishly work under such arduous circumstances.

The disruptions caused to your lives is immensely worrying, and at this time our thoughts and prayers
also go out to the safety and well-being of your families and loved ones.

We sincerely hope that all efforts being pursued bring an immediate end to this horrific calamity.

On behalf of the ESPEs Board,

Maria Escolino
Hon. Secretary
